

# The Reflector.

THURSDAY, JUNE 16, 1892.

## RECENT REFLECTIONS.

—Please, Mr. Alliance, please fuse and let my brother-in-law in as a candidate.—[The News this week.]

—The State University yesterday honored an Abilene girl, Miss Kate Merrill, by electing her assistant in French for the coming year. Her Abilene friends will congratulate her.

—C. B. Hoffman left yesterday for Topolobampo, the land where conventions vex not and the people live in a kind of a perpetual sub treasury with the officers holding the strings to the treasury.

—Where in the world do fresh young men get the idea that indecency in language is smartness. The young alliance orator who made even the men blush at the courtroom yesterday, not to mention the ladies present, deserved to be taken over his mother's knee and spanked into some sense.

—According to Professor Foster, who predicted all the late storms, a violent storm will reach Kansas about the 13th. All the storms of June will continue to be of the hurricane, cyclone and water spout variety. The Missouri valley will receive all the moisture it needs all summer and frosts will be very late.

—The alliance convention selected the following central committee yesterday evening: Rob't Kane, Dickinson; Isaac Halgier, Saline; J. G. Brooks, Cloud; J. D. Cooper, Ottawa; F. B. Wheeler, Marshall; H. N. Boyd, Republic; A. A. Newman, Clay; A. J. Callahan, Geary; A. A. Stewart, Riley; C. A. Burk, Washington.

—Supt. VanDyke said this morning that he did not like the REFLECTOR's comment on the gang of schemers that ran yesterday's convention and will quote it in every speech he makes this fall. Good for Van! Part of his speech will be worth listening to. If he will allow us we will write him the rest of his speech and give him a talk for which the people will not have to blush.

## GREAT DETECTIVE HE.

The Traveling Man Did Not Get a Reward.

One of those smart traveling men got himself into a scrape last night. Coming down on the Santa Fe he spotted a man whom he thought was a safe-breaker for whom a big reward is out and he kept his eye on him. The man got off at Abilene and the drummer forfeited his ticket to Strong City and got off too.

He hunted up the marshal, turned over his man and prepared to live high on the proceeds of the reward. The man protested that he was not guilty and after being in custody was identified by one of Abilene's well known citizens as Rob't McClain, postmaster at Meredith, and he was dismissed with many apologies. The smart traveling man has not been seen since and it is supposed he swam Mud creek and escaped through the sandbars.

## Anthony at Chapman.

SPECIAL TO THE REFLECTOR.  
CHAPMAN, June 9.—Prof. S. M. Cook Tuesday night gave to the other members of the high school faculty and to the senior class an elegant reception. The time was pleasantly spent, out door games being the amusement of the evening. At 10 o'clock a rich repast was served, after which an hour was spent at checkmaking by Misses Schmitz, Hulick, Hurlinger and Cook, of the faculty, and Misses Hall, Sanborn and Hummel, and Messrs. Carter, Borman, Lowery, Wick and Halbert, representing the class. The event will ever be remembered by the participants and Prof. and Mrs. Cook's kindness will never be forgotten.

The city was well filled with strangers who are here awaiting commencement and class day exercises.

Ex-Governor G. T. Anthony spoke last evening to a large crowd. His lecture was made before the literary societies, all of which were greatly pleased with the talk given by the distinguished gentleman.

The musical recital this evening is attracting considerable attention. The recital date was changed from Wednesday to Thursday evening on account of Mr. Anthony who could not speak on Thursday night as was intended.

Wanted & 2mo

Whatever may be the cause of itching, the hair may be restored to its original color by the use of that potent remedy Hall's Vegetable Sulfur Hair Renewer.

## How Unpleasant.

It is to see a beautiful child, a face disfigured with vile humors, bursting through the skin in pimples, blotches, and sores, and sadder still, when the young and innocent are laughed at and twisted in all such cases, parents should give them that good and pure Sulphur Bitters, which will search and drive out of the blood every particle of humor.

Is this not enough for you? Is a silly question; but if you meet a man who complains of suffering from the heat, ten to one you will find, on inquiry, that he does not use Ayer's Sarsaparilla to tone up his system and free his blood from irritating humors.

# WELL CUT AND DRIED.

DAVIS AND SENN EASILY NOMINATED.

Peoples Party Conventions Have Small Attendance—The Slate Goes Through in Both.

When the Fifth district peoples party convention met at 10 o'clock this morning in the court room there were present 74 delegates divided as follows:

Clay..... 8  
Cloud..... 8  
Dickinson..... 8  
Haskell..... 8  
Marshall..... 8  
Ottawa..... 8  
Total..... 74

They did not look like farmers. They looked more like able bodied fixers from the towns and had evidently a well formed opinion as to what they intended to do. There were only a few onlookers and the court room was less than half filled by all present.

Mrs. Tucker of Ottawa county, a wide awake little woman, made a preliminary speech. She wants women recognized in the offices and wanted the delegates to remember that women are entitled to a big slice of the spoils. She received a liberal applause.

Chairman Cooper, of Ottawa county, called the convention to order and Secretary A. A. Stewart, of Riley, read the call. Cooper couldn't withstand the temptation to make a speech. He devoted all his attention to the fact that it was not necessary to apologize for the existence of the peoples party. This was such a remarkable piece of news that it received the applause of the audience. He predicted great things for the party and warned the delegates not to be deceived by dukes and those who dress well—a square hit at some of the well dressed delegates present.

He had good lungs and made a pretty fair speech from his side of the question. On motion Mr. Cooper was made temporary chairman of the convention and A. A. Stewart secretary. The roll of delegates was called.

The committees were then selected by the various county delegations as follows:

Order of business—Dickinson, J. D. Haskell; Saline, A. C. Hillman; Cloud, A. A. Casarman; Ottawa, E. A. Halgier; Marshall, A. Shriver; Republic, B. Culbertson; Clay, J. J. Smith; Geary, A. J. Callahan; Riley, E. E. Kincaid; Washington, Geo. Ross.

Resolutions—Dickinson, Wm. Ramsey; Saline, J. O. Wilson; Cloud, C. C. Stoner; Ottawa, R. E. Baldwin; Marshall, Jos. Wilson; Republic, I. T. Melton; Clay, A. A. Newman; Geary, T. M. Templeton; Riley, H. P. Clevis; Washington, R. K. Burt.

The chairman appointed T. B. Miller of Riley; A. A. Casarman of Cloud; R. H. Kane, Dickinson, a committee on permanent organization.

A recess was taken for reports. On reassembling the committee on order of business reported.

The committee on permanent organization recommended as permanent chairman, A. Shriver, of Marshall county; permanent secretary, A. A. Stewart, of Riley. The report was adopted.

Mr. Shriver took the chair and made a short speech. He said the men elected two years ago had proved true, that the party had no wish for office and no lust for power—another starting place of information.

A little piece of spectacular effect was introduced in bringing in a flag which was given the chairman by a nasal toned young man.

A letter from John Davis at Washington was read by the secretary. It was, like John, dreary, dull and egotistical. He closed with a suggestion that if the office wanted to find him it would know where to seek.

M. P. Kelley, of Chapman, had a friend call on him to make a speech. He had composed a very stilted and badly confused essay to memory and spoke it poorly and his Dickinson county friends were much disappointed.

Mr. Joseph Wilson, of Marshall county, was called for and made a short speech, as did J. N. Limbucker after which the convention adjourned until 1 p. m.

The afternoon session was held in the opera house. There were more onlookers and the auditorium was about one half filled.

After roll call the committee on resolutions reported. The resolutions were as follows:

Resolved, That we endorse the actions of the conference of the industrial organizations held at St. Louis, February 12, 1892, and hereby pledge ourselves to sustain the same by our votes and until they shall be incorporated into laws.

Resolved, That it is the sense of this convention that the financial question is the paramount issue of the reform movement and that the first principle of action is the first step in the right direction, and that the present congress has demonstrated that no majority however great in either side party will take even the first step.

Resolved, That we favor liberal pensions to Union soldiers and that we regard it as a matter of justice and not charity.

Resolved, That the noble band of senators and representatives who are now defending the rights of the people in the congress of the United States are deserving the highest praise. That in our earnest, able and efficient representatives, Hon. John Davis, we recognize a faithful and industrious servant of the people.

Resolved, That we strongly condemn the action of certain mercenary workers and employees of labor for discharging their employees because of their political opinions.

names presented by the various counties.

The following were chosen: Delegates—J. N. Limbucker, Riley; W. D. Gordon, Ottawa; M. Senn, Dickinson; Jos. Wilson, Marshall; Alternates—J. O. Wilson, Saline; C. C. Stoner, Cloud; Geo. Ross, Washington; J. T. Melton, Republic.

Afterward H. N. Gaines, candidate for state superintendent, made a speech.

## SENATORIAL CONVENTION.

The senatorial convention for this district comprising Clay and Dickinson counties, met at the court room this afternoon.

H. G. Gould called the convention to order. C. A. Shafer, of Clay, was chosen chairman, H. G. Gould, secretary.

The resolutions of the congressional convention were endorsed in full.

M. Senn, of Enterprise, was nominated without opposition for state senator and addressed the 20 delegates briefly.

The convention then adjourned.

Chicago, 735 W. Adams St. April 29, '91.

Mr. Norman Lighty, Des Moines, Ia. Dear Sir:—A sample of Krause's Headache Capsules was left in my husband's office a few days since, and as I am subject to headaches, neuralgia, nervousness, and in fact every other kind. He thoughtfully brought the sample box home. The very next day I had a chance to try them and one capsule relieved me in less than half an hour. Next day I was attacked again, took another capsule with the same delightful result, in less than half an hour my head felt as well as ever, with no bad feeling at all after relief. I have had these terrible headaches for twenty years, and have tried every remedy I ever heard of, but nothing I have ever taken has cured or relieved me as quickly as Krause's Headache Capsules. Mrs. N. A. Skinner. Sold by C. E. Northcraft & Co.

I sent for a bottle of Ballard's Snow Liniment and kept my foot well saturated. It is now two weeks since this happened, and my foot is nearly well and I am at my work. Had I not used Snow Liniment I should have been laid up at least 2 months. For healing wounds, sprains, sores and bruises it has no equal. No inflammation can exist where Snow Liniment is used. You can use this letter. Beware of all white liniments substitute for Snow Liniment. There is none like it. Sold by C. E. Northcraft & Co.

Ft. Madison (Iowa) Democrat contains information well worth remembering: "Mr. John Roth of this city who met with an accident a few days ago spraining and bruising his leg and arm quite severely, was cured by one 50 cent bottle of Chamberlain's Pain Balm."
